In 1996, Boyne USA broke ground on The Inn at Bay Harbor overlooking Lake Michigan's Little Traverse Bay. The crown jewel of Midwest resorts opened to guests in December 1998. This Victorian-style inn offers breathtaking views, world-class service, luxurious accommodations, full service spa and exquisite cuisine. Affiliated as a franchise partner with Marriott International in 2003, the Renaissance flag brings greater recognition to this memorable resort. Not currently franchised but a part of Boyne USA's menu of offerings in this lakeside community are the Cottages at Crooked Tree and Lakeside Cottages. Both developments feature real estate opportunities including the rental management program. The Inn is consistently ranked among top resorts of the Midwest, United States and beyond.
