Less than an hour from Seattle, The Summit at Snoqualmie including Alpental Ski Area, has possibly the best access in the nation with an interstate right to resort, and less than an hour from downtown Seattle. Operating seven days a week, including six nights, The Summit and Alpental provide an easy, affordable escape from the everyday grind. From value priced Big S season passes, three terrain parks, a superpipe, and winter-tubing to Nordic skiing, rental season passes and incredible lesson packages for all attitudes, The Summit is your total choice, day-area destination. Additionally, Alpental is infamous as one of the most challenging ski areas in the country and received 12<sup>th</sup> Best Resort honors in 2006 from *Freeskier Magazine* as testimony to its unique personality. With a Master Development Plan pending approval from the U.S. Forest Service in spring, The Summit and Alpental are poised to enter a new phase of its 71 year history.
